

# TOWN OF MELBOURNE BEACH

# Adopt-An-Area

Join the community effort to beautify our Town and learn about sustainability — while enjoying outdoor time with family & friends!

## HOW DOES IT WORK?

Identify a spot on Town property to landscape and nurture as your personal adopted area. Suggestions include areas large or small near Ryckman Park, Ocean Avenue Pier, Town Hall, the Post Office, or the Fire Station.

Visit [MelbourneBeachFL.org/Adopt](https://MelbourneBeachFL.org/Adopt) for an interactive map of adopted & adoptable areas.

## HOW DO I SIGN UP?

Contact the Environmental Advisory Board through Town Hall at the number below. A representative will coordinate a date to meet with you, review your location, help to identify native plants, provide inspirational resources, and share sustainable maintenance tips.
